

**Amistad Research Center**  
**Use and Licensing Fee Schedule (2023)**

Reproductions of materials from the collections of the Amistad Research Center are provided for purposes of private study, scholarship, or research per U.S. Copyright law. Any other use requires a license agreement for reproductions produced by the Amistad Research Center and may further require clearance of intellectual rights from copyright holders. Intended uses beyond private study, scholarship, and research are to be indicated in writing by the user and agreed upon by the Center in the Application for Use and License. This agreement serves as a contractual agreement that is signed both by the user and a representative of the Amistad Research Center.

Fees associated with the order and use of reproductions of materials from the Center’s collections may be the sum of two fees: reproduction fees and licensing fees. Fee schedules for licensing of reproductions produced by the Amistad Research Center are listed below. The Amistad Research Center reserves the right to require special fees for some forms of commercial use. Fees for use of a large number of items may be negotiated. Prices listed below are subject to change.
